TOTAL CLIENT SAVINGS TO DATE \$1,349,031

This chart references a real UtiliSave client. The numbers represented are the actual savings / refunds delivered each year of the relationship.

UtiliSave prides itself on dedicated Research and Development. The UtiliSave R&D team studies and evaluates complex utility tariffs, public service laws, and utility and government savings programs. Our team has developed a protocol for selected manufacturers, who may qualify for a

special discount program serviced by particular utilities. For this client, we prepared the extensive documentation required to be considered for this program, and we successfully negotiated the program implementation, resulting in significant annual savings over a multi-year period.

An industry leader in utility data optimization for over **24 years.**

Marching strong toward **\$1 billion** in found savings and refunds for our clients.

Provides core services to over **16,000** properties nationwide.

Proprietary software dives deeper to deliver **larger net returns.**

Experience in **100+** tariff jurisdictions worldwide.
